DATA SHEET

Product Code : 03010210	Double Fire Extinguisher Floor Stand with recessed base. 2 Piece.
-------------------------	--

General Description

Two-piece design with back recess to clear wall skirting boards. Tall back panel protects wall and can carry signage. Recessed base provides additional support and is particularly suitable for dual CO2 and foam extinguisher combinations.

Material

Fully Recyclable UV-Stabilised PE.

Assembly

Place the back panel upside down onto the floor or other firm surface. Engage the three locking pegs into the base and press down by hand. If more force is required use a soft mallet. Hit in sequence from left to right and the pegs are fully engaged when the ends are flush with the base.

The two mouldings are not designed to be taken apart once assembled.
